**EVERY DAY is EARTH DAY !** You all are doing a great job of recycling paper, cardboard, cans and bottles - This a.m. in the Curtis building the recycling containers were overflowing! I did fill up one green cart from soft cover books with white paper that had been left in the magazine and catalog container. Remember, our contract with Deffenbaugh **pays us** for office paper, junk mail, . Check the office paper list and **fill up!** those green Recycle Containers.

**It's not too early to plan for Earth Day!! April 22**
